RXDT
- Basic student drum throne
- 18inches to 25inch height adjustment
- Tube diameters are 25mm / 28.6mm
- 280 mm diameter round top seat
When enough is not enough, we give you Deccabons! Black-finished, fiberglass shells, 6” in diameter and in lengths from 6” to 24”... the perfect accent to your kit.

Deccabons’ pitch are determined by shell depth, rather than diameter. Mount them in traditional descending order, or place them around the kit for unexpected accents. Expand your sonic palette!

6” - 8” DECCABONS

DECCABON F 0608
- 6” - 8” Decabons
- Satin black finish
