

## **Compatible Aftermarket parts for discontinued ddrum products**

**Available for Purchase from: [www.drumfactorydirect.com](http://www.drumfactorydirect.com) Model #'s listed below.**

Please read the list of parts carefully below. These after market parts will fit discontinued Kits such as the Dominion, Dios, Diaton, Diode, and Paladin and Diablo series. We have offered original replacement parts for some time, but some of these kits are over 10 years old and we no longer stock them. However, these parts below, as they may not be original, will get your kit up and running like new. Please see the item ID numbers or Links to the correct part.

Before ordering any parts. Please make sure to measure the hole patterns and specs to ensure they match and will fit.

Please note that the parts listed for the **Dominion Series** are for **the original version from 2005-2010. These will parts will not work with the updated Dominion Series from 2020- present.**

### **Lugs**

**TL1-25SCR and TLB1-25** -1inch Tube lugs for snare and toms will fit **ddrum DIOS drum sets** and **USA ddrum kits** (some models)
