DOMINION

New for 2022, the ddrum Dominion Birch series has been upgraded with some key features and re-imagined finishes, bringing these drums to a new level of both sound quality and appearance. Dominion Birch drums for 2022 now feature a redesigned double tom holder, memory locks on the floor tom legs, 3 new shell pack configurations and 3 new great finishes. Dominion Birch series drums still feature 100% Birch shells that are bright and balanced with full range overtones and the attack everyone expects out of a quality Birch shell.

Features:

- Hi quality PVC wrap finish
- Birch shell
- Matching snare drum
- Chrome hardware
- Triple flanged hoops
- Classic Dominion box style lugs
- Integrated tom suspension system
- Remo drum heads included. Clear pinstripes for the toms, Reverse dot for the snare and a clear P3 bass drum head.

Classic Dominion box style lugs with Chrome Hardware

Integrated tom suspension system

Birch shell wth 45 Degree Bearing Edge

D2

Perfect for students and intermediate players. Includes everything you need in a beginner drum set. The bass drum features a contemporary eighteen-inch depth, the tom interval is the same found on ddrum's higher end drum sets; this lets you know that these drums are not toys, but instead your first musical instrument. Featuring durable wrapped finishes and accented by chrome hardware. The ddrum D2 series lets you choose your first drum set with confidence and pride.

Finishes:

Red Sparkle (RSP) | *Midnight Black (MB)* | *Cobalt Blue (CB)* | *Gloss White (WHT)*

Features:

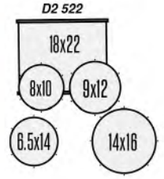
- Four finish options
- Poplar shell
- Chrome hardware
- 1.6mm Triple flanged hoops for snare & the toms
- New fully adjustable double tom holder
- Updated hardware: boom stand, hi hat stand, bass drum pedal, snare stand and throne
- Includes 14" hi-hat pair and 16" crash/ride

D Series lugs with Chrome Hardware

Updated double tom holder

45 degree bearing edges, all poplar shells

Configuration:



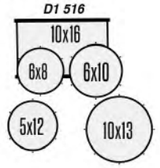
D1 Jr.

Finishes:

Midnight Black (MB) | *Cobalt Blue (CB)* | *Gloss White (WHT)*

The D1 series has been a go-to kit for young beginners since its launch back in 2010. One of the few complete real drum kits on the market to feature drums and hardware sized for the smaller player, built with the same attention to detail that we put into our higher end drums. The D1 has been upgraded to include a new double lug design on all drums, gull wing bass drum spurs, larger toms, new hardware set that includes a junior throne, new bass drum heads and a new badge.

Configuration:



Features:

Updated gull wing bass drum spurs

New lug design

Upgraded toms, hardware & throne

includes

- 10" hi hat with stand
- snare stand
- cymbal stand
- tom arms
- 12" crash/ride cymbal
- bass drum pedal
- throne
- pair of drumsticks
